

## **Residential Garage Sales in Pecan Grove**

While there are no restrictions in Pecan Grove governing when a resident can have a garage sale, we do ask that you be respectful of your neighbors by promptly and completely removing any unsold items when the garage sale is completed.

Residents having ongoing garage sales at their home are strongly discouraged. The Board asks that these events be infrequent with a typical garage sale containing goods that are unwanted or no longer needed items from the household with its owner conducting the sale.

Please be aware that Pecan Grove Covenants do not allow signs in yards or along street right of way advertising Garage Sales. Signs placed for these events may be removed by our Board Members or the Community Driver.

If you wish to post a notice, please do so on our **Community Bulletin Board** located at the front of the neighborhood on Plantation Dr. near the Park on Windmill.
