

Residential Garage Sales in Pecan Grove

- **Restrictions** - While there are no restrictions in Pecan Grove governing when a resident may have a garage sale, we do ask that you be respectful of your neighbors by promptly and completely removing any unsold items as soon as the garage sale is completed.
- **Frequency** - Residents conducting ongoing garage sales at their home are strongly discouraged. The Board asks that these events are infrequent with a typical garage sale containing goods that are unwanted or no longer needed items from the household.
- **Signage** - Please be aware the Pecan Grove Sign Policy only allows a Garage Sale sign to be placed in the yard where the event is happening and a sign on the Bulletin Board. Signs along street right of way, on light poles, or street signs are not permitted. Non-compliant signs may be removed by our Board Members or Community Driver.
- **Community Bulletin Board** – As noted above, if you wish to post a notice, please do so at our Community Bulletin Board located at the front of the neighborhood on Plantation Dr. near the Windmill Park.
